Pay and Incentives

In addition to your base pay, AMD offers an annual cash bonus to eligible employees, paid in late March/early April. Sales employees who aren't participating in the Annual Incentive Bonus Plan (AIP) are eligible to participate in the Sales Incentive Plan (SIP).

Based on performance, you are eligible for a restricted stock unit (RSU) award as part of our annual merit cycle. RSU awards increase employee ownership in AMD and provide upside opportunity when the stock price increases.

Retirement Savings Plan

AMD offers an employer financed plan: offering a fixed contribution of 2% of target salary (increases to 3% after 5 years of length of service).

On top matching plan: AMD also matches any additional employee contribution 50% capped at 2% of social security ceiling limit.

Employee Stock Purchase Program (ESPP)

After one month of service, if you are at the Corporate Vice President (CVP) level or below, you can participate in the ESPP and purchase AMD stock at a discount through paycheck deductions. You can sign up during the open enrollment periods starting in April and October each year to elect after-tax contributions to the ESPP. You can contribute up to 15% of your salary and your contributions, subject to plan limits, are then used to purchase stock at 85% of the lowest market price at the beginning or end of each offering period.

Education Assistance Program

Subject to manager approval and company funding, you can be reimbursed up to 5000 EUR annually.

AMD offers accident insurance providing compensation in the event of an accident at work, whilst commuting or during leisure time. Lump sum amounts: Death due to accident: €100k, Invalidity: €200k, Progression: 250%, Daily Hospital: €50 p/day.

Disability Insurance

AMD offers disability insurance providing 100% net income for lost salary because of illness after 6 weeks. Previous diseases are included in the cover. This benefit is optional for employees to enrol into because it is subject to a benefit in kind tax.

Survivor Benefits

Survivor Income Benefit

To help with immediate financial needs following the death of an AMD employee, the survivor income benefit provides funds to a named beneficiary. The benefit is equal to one month of the employee's base salary.

Annual Incentive Plan (AIP) Payout

If an employee who is participating in the AIP dies prior to receiving a payout for that plan year, AMD will pay to their beneficiary a lump sum payment in accordance with the terms of the Plan.

Stock Acceleration

At death some unvested Restricted Stock Units ("RSU") will accelerate, depending upon which plan the shares were granted under. The accelerated and released shares will be deposited to the employee's E*TRADE account, with taxes withheld and reported as usual.
