

## AMD BRAND ASSETS TERMS AND CONDITIONS

By downloading and incorporating the AMD Trademarks or AMD Logos and/or images provided herein (collectively, the “AMD Mark(s)”), you are accepting the Terms and Conditions and committing you and your company to the Terms and Conditions. Once the Terms and Conditions are accepted, AMD uses [Cookies](#) to enable the user to bypass this screen when downloading AMD brand assets in the future.

The AMD Marks are owned exclusively by Advanced Micro Devices, Inc. (“AMD”), protected under relevant trademark and copyright laws around the world, and are provided on an “as is” basis without warranty of any kind, express or implied, for use subject to the terms of this license (“License”). AMD hereby grants you (“Licensee” or “You” or “Your”) limited permission to use the AMD Mark(s) solely in connection with the advertising, marketing, promotion, and sale of Licensee products that include an AMD CPU, GPU or APU (each an “AMD Processor”) and in accordance with the AMD Corporate and Product Branding Guidelines, which may be modified by AMD from time to time. You agree to ensure that You are in possession of the latest, updated version.

This grant does not extend to use of AMD Mark(s) on Licensee product packaging or use of AMD Mark(s) on any goods that do not contain an AMD Processor. AMD shall remain the exclusive owner of all rights in the AMD Mark(s), and this License does not grant any other rights with respect to AMD’s Mark(s) trademarks or copyright. You agree that You will not, nor will you help others, contest, attack, or dispute AMD’s rights in the AMD Mark(s). The AMD Mark(s) must be used only in a positive manner and shall not be used in any way that may, in AMD’s sole judgement, disparage AMD’s reputation.

You agree not to use the AMD Mark(s) in a manner to suggest AMD’s endorsement or sponsorship of your goods or services, or in any way that may create confusion as to the source of the goods, and Licensee’s company name, logo or product name shall appear on any products or related materials where an AMD Mark(s) is used. This license may be terminated by AMD at any time, and failure to comply with these terms will result in automatic termination of this License.

Sometimes AMD acquires the right(s) to certain image(s) and includes such image(s) within AMD system(s) (“Licensed Images”). You agree to refrain from using Licensed Images for any reason outside of those directly related to your reason for accessing AMD system(s) contemplated under these Terms and Conditions. Additionally, you agree to comply with all limitation(s) on Licensed Images that are communicated to you by AMD, including but not limited to limitation(s) conveyed to you via notes in a file containing the Licensed Images.

If You encounter any non-public information related to AMD (“Confidential Information”) while accessing AMD system(s), You agree to (a) reasonably protect and not disclose any Confidential Information to any third party(ies) without AMD’s written permission; and (b) refrain from using Confidential Information in ways not relating to your access of AMD system(s).

If it is determined by AMD – in its sole opinion - that You have violated these Terms and Conditions or have otherwise misused Confidential Information, Your access to AMD system(s) may be revoked immediately and without notice.

If you have any questions regarding the terms and conditions of this Agreement, please contact the AMD Law Department at [amd.trademarks@amd.com](mailto:amd.trademarks@amd.com).
